. . . the mind is restless, turbulent, strong and unyielding . . . as difficult to subdue as the wind.

Bhogavad--Gito

THE MTHS SCHOOL EMBLEM

An emblem is a visible symbol of an idea. In our emblem the "M" stands for MILFORD. However, it also represents MERIT, that quality of perfection for which we so keenly strive. The "T" symbolizes TOIL; for without toil it is impossible to produce great achievements. The TORCH is symbolic of an eternal, burning SCHOOL SPIRIT; for united we stand, divided we fall. The BEARCAT, a strong, brave fighter, illustrates our UNCONQUERABLE SPIRIT in our extra class activities and in our regular studies, for a quitter never wins. Lastly, the BAND encircling the above symbols designates a lasting bond or UNDERSTANDING AND RESPONSIBILITY between the faculty, the board of education, and the students of Milford Township High School.

Dedication

To one who has ever been

A guide to us,
A friend and counselor,
A leader in school spirit;

In recognition for

Your untiring efforts,
Your patience with our problems,
And your genuine interest in us all;

For your ability as an outstanding teacher in guiding our science students to their highest potential;

For your leadership, enthusiasm, and inspiration as our class sponsor for two years;

And for your sincere and genuine friendship;

We dedicate our 1965 Reveille to you, Mr. Howard H. Cline.

Thanks so much,

The Senior Class of 1965

Howard H. Cline

Very few good things
come with little effort.

Mr. Cline is noted for his beautiful flower garden, and much of his time is spent here.

As this book is laden with dust, may your mind be filled with memories of the school, the many good times, the friendships, and the joyous events.

Remember not the school as just a building, but as a body of students working toward education, fun, and friendship.

We, the co-editors of the 1965 Reveille, wish to extend our many thanks to all those who contributed their time in helping us make possible the publication of this book. We would especially like to thank our advisors, Mr. Manuel and Mr. Timmons, for all the help and support they have given us in our work.

We now invite you to follow and share with us the joys of the present and recall with us the pleasant memories of days gone by.

The editors,
Margaret Bohlmann

CLASS HISTORY

Just four short years ago 78 timid, but eager freshmen entered the ivy halls of Milford Township High School. We started the year by electing our first class officers. They were as follows: John Thorne, President; Connie Witt, Vice President; Mary Callahan, Secretary; Glenda Nielsen, Treasurer; Cheryl Crist, Reporter; and Nancy Ferdinand, Student Council. We were guided by Mrs. Johnston and Mr. Shanks. The class elected Ronna German and Linda Shoufler as Queen Candidates. We were very proud to have a freshman, John Thorne, serve as a member of the varsity football team. We soon became adjusted to the daily routine and finished our first year with flying colors.

After a short summer we again entered the halls of good ole MTHS. To begin another year we elected our class officers. They were: Charlie Crow, President; John Thorne, Vice President; Nancy Ferdinand, Secretary; Mark Haines, Treasurer; Karen Schmohe, Reporter; and John Thorne, Student Council. Mrs. Akerly, Mr. Cline, and Mr. Stearns guided us through this year. We elected Glenda Nielsen and Connie Witt as Queen Candidates. Our sophomore year was a big success as far as winning prizes. Our Frosh-Soph Basketball Tournament, our class float was awarded first prize at Homecoming, and we also won first prize in the Junior Variety Show. We were very proud that two of our sophomore boys played on the varsity basketball team. They were Charlie Crow and Tim VanHoveln. Near the end of the year we ordered our class rings. This was certainly a memorable year as sophomores, but the best was yet to come.

In the fall of 1963 we walked the halls as jolly juniors. Our class officers were: John Thorne, President; Charlie Crow, Vice President; Pam Cross, Secretary; Linda Trudeau, Treasurer; Margaret Bohlmann, Reporter; and Charlie Crow, Student Council. Our sponsors this year were Mrs. Sullivan, Mr. Cline, and Mr. Ellis. We had a busy year ahead of us and we were looking forward to the challenge. In September we received our class rings. Homecoming soon rolled around. We chose "Magic Moments" as our theme. Margaret Bohlmann and Cheryl Crist were chosen to represent the junior class in the Queen's Court. Homecoming was a big success set off by Milford defeating Hoopeston 6-0. With our first big project completed we began working on Prom. We chose "Fantasy In Space" as our theme. We had a huge pink rocket for the main attraction. Everyone enjoyed Prom and we thought it was a big success.

The year we had anxiously awaited for finally arrived. At last we were sophisticated seniors! Our class officers for this year were: Mark Haines, President; Tim VanHoveln, Vice President; Secretary, Bill Robertson; John Thorne, Treasurer; Mary Callahan, Reporter; and Margaret Bohlmann, Student Council. Our sponsors were Miss Dittlinger and Mr. Campbell. A year of memories, decisions and apprehension. A year of both happiness and sadness. Happy to know we have completed 12 years of education, and yet sad to leave, knowing we are leaving friends, teachers, and fellow classmates who have made our high school education a success. The class elected Pam Cross, Margaret Bohlmann, and Cheryl Crist as Queen Candidates. We were happy to have Pam Cross reign as Queen of the 1964 Homecoming. We were also very proud to have Glenda Nielsen, Pam Cross, and Cheryl Crist chosen as varsity cheerleaders. Before we knew it, it was Prom time. The theme chosen was "Blue Hawaii". The whole evening was a great success. The climax of the evening was the coronation of the King and Queen, Tim VanHoveln and Cheryl Crist as they reigned over the 1964-65 Junior-Senior Prom.

Those chosen as National Honor Society members in their junior year were Mary Callahan, Morris McDonald, Glenda Nielsen, Karen Schmohe, and John Thorne. During the senior year Margaret Bohlmann, Cheryl Crist, Lois Smith, and Judity Toelstede were selected for the Honor Society.

May 25, 1965 marked the end of our high school days. Sixty excited and somewhat sad students graduated from Milford Township High School. Our class motto is "Now We Try A Boundless Sea", our flower is the white rose, and our colors are lavendar and white.

We closed the door on one phase of our lives and entered into another one--presenting greater challenges and opportunities.

And so it was. . .Four years of hard work filled with wonderful and cherished memories that will never be forgotten.

We the Senior Class of 1965 would like to express our gratitude and deep appreciation to those people who have helped us make the best of our high school education.

CLASS OF '65

Class Song

NOW WE TRY A BOUNDLESS SEA;
And through life's tumult sail,
With sun and moon our compasses
O'er every hill an' dale.

The sun brightly shows our path,
Arched by a rainbow gay;
Our fond mem'ries shall always last
Dear classmates of today.

The moon so dimly glowing,
With stars as candlelight,
Illuminates our future
As we begin our flight.

The waves are gently flowing
While we start out today
With God our loving pilot
Showing us our way.
